Fun Parking Facts

We wanted to share with our parishioners some fun parking facts from a recent traffic study that we conducted.

Weekly Average of Cars Turning Left and Right onto Santiago Road

	Mass	Turing Left	Turing Right
Saturday	4:00 pm	178	19
Saturday	6:30 pm	81	17
Sunday	8:00 am	191	46
Sunday	10:00 am	237	65
Sunday	12:00 pm	82	11
Sunday	2:00 pm	173	56
Sunday	5:00 pm	54	31

A parishioner who turns left from "C" Street onto Santiago Road during peak times spends an average of 10 minutes before they were able to turn left or right on Ynez Road

To ensure a smooth ingress (entering) and egress (exiting) we are trying a new procedure with our parking lot. When you turn onto "C" Street from Santiago Road, you will see a sign near the lower "C" Street turn-in by the Faith Formation building that asks you to please enter the parking lot near the cemetery. This will significantly reduce the number of cars turning left into the parking lot on the lower "C" Street entrance and causing a back up of cars exiting onto Santiago Road.

A parishioner who turns right from "C" Street onto Santiago Road during peak times saves an average of 10 minutes when they go across the bridge and then turn left or right onto Old Town Front Street

Study conducted by members of the Knights of Columbus and St. Vincent de Paul on the weekend of November 16-17 and November 23-24
